

Zachary Johnson Kids with Cancer Fund the Beginning...

At the age of 10 months, Zachary Johnson was diagnosed with AML Leukemia. While Zachary was undergoing treatment for cancer, his family and

friends saw a need to help other families who may experience some of the same trials and tribulations that they went through. We are happy that Zachary has been in remission over twenty years. This fund was established to secure funds to create an endowment fund with the intention to generate interest income annually which would be disbursed to qualified individuals who submit an application and meet criteria as stated by the Board of Directors.

Our Purpose

It is the desire of the Zachary Johnson Kids with Cancer Fund Board of Directors to offer stipends/grants each year to patients (or their families) that have been diagnosed with a cancer-related illness. This gift may be used for respite care or anything else the patient/family need to make life easier and/or more enjoyable, such as, movies, special toys, family outings, payment of bills, or special foods, etc.

Qualifications to Receive Help

Monetary relief through stipends will be given to the family or care giver of a dependent child.

The child must be 21 or under, residing in Aitkin or Crow Wing County and has been diagnosed with any form of cancer.

Fund Administration

The Zachary Johnson Kids with Cancer Fund is administered by members of the Riverwood Hospital Foundation.

Riverwood HealthCare Center
c/o The Zachary Johnson Kids w/Cancer Fund
200 Bunker Hill Drive
Aitkin, MN 56431
