# Helping Kids with Cancer

## About Us

At the age of 10 months, Zachary Johnson was diagnosed with AML Leukemia. While Zachary was undergoing cancer treatment, his family and friends saw a need to help other families who may experience some of the same trials and tribulations that they went through, so they founded the Zachary Johnson Kids with Cancer Fund.

This fund offers grants to surrounding area of The Office Shop stores to families with a dependent child (age 21 or under) who has any form of cancer.” This gift is to be used for anything that the patient or caregiver wishes. If you are interested in applying for a grant, please contact Riverwood Foundation or stop at either Office Shop locations

## Contributions & Gifts

Individuals, businesses, and organizations may make contributions to the fund in a variety of creative ways. We welcome the opportunity to discuss those options with you. Your contribution may be tax-deductible.
